

*By Permission of the Rev. the VICE-CHANCELLOR and the
Worshipful the MAYOR.*

EVENING LOUNGE.

WHEN Messrs. C A R E Y and K E A N were last in Cambridge, it happened to be at a time the Noblemen and Gentlemen of the University had not assembled so numerously as was expected; therefore they declined the Idea of delivering their EVENING LOUNGE any more than one night; but were positively requested by a great number of the University and many Ladies and Gentlemen of the Town, to return at this period, and were promised to be attended by both parties, who would also influence their friends in Messrs. C A R E Y and K E A N's behalf — therefore they propose opening their System with alterations and additions at the TOWN-HALL on Tuesday Evening next the 23d Inst. ; particulars will be expressed in the Hand-bills without delay. There will be good Fires and the room lighted with Wax.
